Regarding the question of the continuance or otherwise of free quarters to officers of all grades in the Medical Department (excepting Midwives and Compounders,) I may explain as follows:-

GENERAL SECRETARY. 9 MAY 1932 No 9

15) The Officer in charge of the Krishnarajendra Hospital, Mysore, is provided with free furnished house in accordance with the special orders of Government conveyed in G.O.No.1573-4 C.B.223-26-19, dated 13th August 1927. The

This file of the C.B. is stated to be with certain observations. It is not clear whether the Terms of appointment of Dr Robinson

The Resident Medical Officer,s of Victoria and Krishnarajendra Hospital, the Superintendent, Mental Hoppital, the Medical Officer, Princess Krishnajammanni Sanatorium, the District Medical Officers, Kolar, Colar Gold Fields, Hassan, Shimoga, Kadur and Chitaldrug are provided with quarters, either in the premises or close by the hospital, the object being that they should be readily available for duty during emergencies at any hour of the day or night. Hence the concession of free quarters cannot therefore be withdrawn in these cases.

(b) The District Medical Officer, Bangalore, Mysore and Tumkur were in receipt of an house rent allowance of Rs.30/- each. Since District Medical Officer, Bangalore and Mysore are not in charge of the hospital their allowances have been stopped vide G.O.No. Fl.2320-70/S & A 123-31-1, dated 2nd October 1931. The allowance is continued in the case of the District Medical Officer,Tumkur, vide G.O.No.Fl. 3592-640/S&A 123-31-15 dated 25th November 1931).

(c) The quarters occupied by the Resident Medical Officer, Minto Ophthalmic Hospital, Bangalore having been handed over to the Education Department the house rent allowance of Rs.35/- per mensem granted in lieu thereof (G.O.No.G.1545-6/Med. 25-31-2, dated 18th August 1931. has to be continued.

(8) The Sub Assistant Surgeons on the permanent staff of certain big institutions who are expected to be available for duty during emergencies at any hour of the day or night are

Sl.No. provided with free quarters by Government

These are:

| | | |
|---|---|---|
| 1. Victoria Hospital, | 3 | Sub Asst.Surgeons |
| 2. K.R. Hospital, Mysore | 3 | Do. |
| 3. Minto Ophthalmic Hospital, Bangalore. | 2 | Do. |
| 4. Epidemic Diseases Hospital, Bangalore. | 1 | Do. |
| Do. Mysore | 1 | Do. |
| 5. Civil Hospital, Kolar Gold Field. | 2 | Do. |

(4) Certain Sub Assistant Surgeons in the muffusil stations are provided with quarters either by the local bodies or by private donations of buildings. These are shown in the list annexed A and B. I also enclose a list C which shows places where quarters are provided by Government and a rent at 10 % of salary is recovered. I may say that a recovery of 10% of the salary is much too hign In most places outside District Head Quarters house-rent is cheap and it would be very hard on these sub Assistant Surgeons to fix them down to a liability of 10 per cent of their pay. On the other hand it is deisrable to abolish the levy of rent altogether, where quarters are provided and to grant a suitable house rent allowance in places where there are no quarters. This ensures uniformity in the concession in the subordinate service and is otherwise also an essential counterpart to the enforcement of the departmental rule according to which interchanges of Sub Assistant Surgeons have to take place at the end of one, two or three years as the case may be. It would be invidious if a Sub Assistant Surgeon who has enjoyed free quarters

should on account of a transfer to a new place in the interesss of service have the concession of free quarters suddenly withdrawn the duties and the responsibilities remaining the same.

8. Lady Medical Officers, etc.

In view of improving the Lady's cadre the scale of pay of the Lady medical Officers has since been revised and free quarters or house rent has come to be regarded as one of the privileges attaching to the cadre. The concession is reasonable and ought not to be with-drawn.
